**CAUSE**

Love has been on supervised release since October 10, 2007. On March 1, 2009, Love tested positive for marijuana. Love readily admitted to the marijuana use. Love previously tested positive for marijuana on November 21, 2008. At that time he was sanctioned with 50 hours of community service, which he has completed. He also completed a month long marijuana educational group.

Love has been employed with the City of Syracuse Parks and Recreation Department since his release and had no violations or problems on supervision prior to November 2008. He has custody of his 10 year old son and supports his 8 month old son. He reports for all appointments and drug testing as directed.

Request for Modifying the  
Conditions or Terms of Supervision  
with Consent of the Offender

As a sanction for the most recent positive drug test, we are recommending modification of Love's conditions to include home detention. Love has expressed difficulty with coping with stress and relationships, and although he does not offer it as an excuse, he admits he resorted to the marijuana use as a result. He readily admits he has used very poor judgement and recognizes he has a lot to lose as a result of his drug use. We also recommend modification of his conditions to include mental health counseling.

The offender is in agreement with these modifications and has signed a Probation Form 49, Waiver of Hearing to Modify Conditions of Supervision, which is enclosed. If the Court concurs, Probation Form 12b needs to be signed and both Probation Forms 49 and 12b needs to be filed with the Court Clerk's Office.

Respectfully submitted,

MATTHEW L. BROWN  
Chief U.S. Probation Officer
